

## Location and Directions

Soolman Nutrition and Wellness LLC is located at 555 Washington Street in Wellesley, Massachusetts. Our office is on the stretch of road where routes 16 and 135 overlap, which is the same block as the Wellesley town hall.

Parking is available along the area streets as well as in public lots next to the library and the post office. The spots are metered so be sure to bring quarters!

Our office is also accessible via public transportation. The Wellesley Square commuter rail station on the Framingham/Worcester line is located behind our building.

When you arrive at 555 Washington Street, please enter the front door and head up the stairs that will be on your right. Once upstairs, you will spot our office straight ahead. Look for the green sign with our company name and logo.

Please have a seat in our waiting room and help yourself to tea or water if you would like. We will come out to greet you at your appointment time.
