January 2026

The new year is already almost a month old, but some of my thoughts are still with 2025, including an experience our daughter had at school in December while learning about food pantries.

Thanks,
Jonah

Lessons from the Food Pantry

Imagine the sad irony of being a kid in class whose family struggles to make ends meet and being told by a food pantry that a food you and your family utilize to survive belongs in the “junk food” bin. [Read More](#)
